HONORING PRINCIPAL JAMES
CONDON FOR THE 2015 INDIANA
PRINCIPAL OF THE YEAR

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 29, 2015

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize Principal James Condon of Plymouth High School for being named the 2015 Principal of the Year. His success in fostering an exceptional learning environment for students in Plymouth is nothing short of remarkable.

Every year, the National Association of Secondary School Principals recognizes outstanding middle school and high school principals who have succeeded in providing high-quality learning opportunities for students. Recipients are chosen based on their performance in four categories, which include personal excellence, collaborative leadership, curriculum and personalization. Among other requirements, an award winner must model values, beliefs and attitudes that encourage others to higher levels of performance; create a culture of collaboration; ensure that each student has the best possible opportunity of realizing success; and create a school climate that is warm, inviting, safe and secure. Every one of us depends on our teachers, and because of that, they deserve our support and appreciation.

For over 20 years, Principal Condon has been contributing to the betterment of Indiana education. Since he became the principal of Plymouth High School in 2007, the school has been rated as one of the top high schools in Indiana and has received an "A" from the state in school accountability. As an added accomplishment, the school has achieved an 86 percent graduation rate, exceeding the Indiana state average by nearly 10 percent. These remarkable achievements have been duly recognized and rewarded. Before receiving Principal of the Year, he was named the top high school principal in Indiana's second district, which includes Elkhart, St. Joseph, Starke, Marshall, Pulaski, Fulton, LaPorte and Kosciusko counties. Because of leaders like him, Hoosier classrooms are filled with future doctors, scientists and entrepreneurs.
